LOCATION

By choosing Borgo di Gallano exclusively, you will celebrate your wedding without time limits, with private apartments and spaces.

The Castle's courtyard, panoramic pools, and grand garden offer unique settings for ceremony and reception.

Nestled between natural parks, the Borgo reveals breathtaking views.

A UNESCO-protected medieval village, it blends timeless charm with modern comfort.

Among olive groves and authentic Umbrian flavors, it is where nature, elegance, and history make your day unforgettable.

APARTMENTS

The rooms exude the intimate and welcoming atmosphere that characterises the resort. Borgo di Gallano is divided into three blocks and consists of 27 apartments of various sizes, ranging from 65 square metres to 170 square metres, with a total of 120 beds. All apartments have exposed wooden beams and real terracotta floors, and are tastefully furnished in a refined style, with warm, natural tones and high-quality finishes. The apartments have a 40" TV, kitchen, bathroom, dishwasher, fridge, safe, hairdryer, set of dishes, sheets and bathroom set. Some apartments have a sofa bed.

CIVIL WEDDING CEREMONY

Borgo di Gallano is one of the few private venues in Umbria authorized to host civil weddings, offering the chance to celebrate your entire event in one exclusive setting.

The ceremony can take place in the charming Piazzetta Neva, at the heart of the Borgo, or in the Castle area, with spectacular views over the Umbrian valley.

Every space is designed to embrace your special moments and make your “I do” unforgettable.

Here, history, elegance, and nature come together to create the perfect backdrop for a timeless and authentic wedding.

CATHOLIC WEDDING CEREMONY

Less than 1 km from Borgo di Gallano stands the charming Church of Pieve Fanonica, one of the oldest in the Municipality of Foligno.

Here, Catholic weddings can be celebrated in an intimate and authentic atmosphere, just a short walk from the resort.

The church can host up to 90 guests and also allows the ceremony to be followed from the small courtyard in front, a natural extension of the sacred space.

A place rich in history and spirituality, perfect for couples who wish for a solemn rite surrounded by the timeless charm of Umbria.
