# IL BORGO

## THE VILLAGE

The Borgo di Gallano stands on the mountain of the same name in Valtopina, between Assisi and Spoleto, at an elevation of 520 meters above sea level. Set like a diamond between two marvelous protected parks, Mount Subasio Park and Colfiorito Park. With its vast terrain rich in olive trees, vines and spring water, it is among the most sought-after Umbrian destinations for hiking travelers. An entire village that has been restored and brought back to its ancient splendor to welcome couples, families and groups of friends and companies in search of unique flavors, such as the precious Truffle that in the Topino valley is the protagonist, in addition to relaxation and the discovery of ancient traditions and activities. The Borgo di Gallano equipped with all the comforts, restaurant, is an ideal place for a vacation in the heart of Umbria. Borgo di Gallano is a historic complex, part of Unesco, protected by the Ministry of Cultural Heritage. Positioned in an unspoiled landscape, with a panoramic view that sweeps over the wide valley, Borgo di Gallano is composed of a widespread village divided into three complexes Borgo, Veduta Sasso and Castello each divided into several independent apartments.
